# INTRODUCTORY

In presenting our Twenty-Fifth Annual Edition of the City of Windsor Directory which includes the Towns of Riverside, Ojibway and Remington Park, we heartily thank the people in general for the cordial support they have given us.

The Corporation of the City of Windsor now includes the former towns of Walkerville and Sandwich and the City of East Windsor.

Every effort has been made to have this work as complete and up-to-date as possible.

Our estimate of the population of the Border-Cities for 1938 is 117,750 as follows:—

# THERE IS NO DEFEAT Except from Within

GENIUS is only the power of making continuous efforts. The line between failure and success is so fine that we scarcely know when we pass it; so fine that we are often on the line and do not know it. How many a man has thrown up his hands at a time when a little more effort, a little more patience would have achieved success. As the tide goes clear out, so it comes clear in. In business sometimes, prospects may seem darkest when really they are on the turn. A little more persistence, a little more effort, and what seemed hopeless failure may turn to glorious success. There is no failure except in no longer trying. There is no defeat except from within, no really insurmountable barrier save our own inherent weakness of purpose.

Designed and Printed by Edward Conn at The Concord Press, Windsor

# MEMORY IS FLEETING

Many successful business men have frequently reached the conclusion that the average memory is fleeting indeed. So they depend on no promises, but assume themselves responsibility for seeing that customers and prospects do not forget them.

You can tickle that fleeting memory and bring your goods or your service frequently to the attention of customers or clients present or prospective, by regular mailings of printed pieces--folders, blotters, postcards, envelope enclosures and so forth.

Specific suggestions regarding the type of mailing campaign best calculated to keep alive the advantages you offer will be gladly offered on request, and at your convenience.
